WILL DOUBLE QUOTA

"OVER THE TOP AND REPEAT" IS GREEN TOWNSHIP'S MOTTO

NODAWAY IS READY, TOO

Two Additional Townships Have Assembled Their Machinery for the Red Cross Drive Next Week

Nodaway county is not going to be satisfied with simply getting its quota in the coming Red Cross drive for a war fund of $100,000,000. From expressions by leading workers all over the county the county's gift to the Red Cross will be largely in excess of the quota. Nodaway and Green townships are added today to the list of townships with organizations completed and ready for work next week. The following from H. C. Bailey, chairman for Green township, reflects the sentiment found over the entire county:

Quitman, Mo., May 16, '18.

"Green township all hitched and rarin' to go.

The Red Cross drive will be on, Monday morning, May 20. All the canvassers have been appointed and our motto is "Over the Top and Repeat." There seems to be at this time a universal feeling among the people to want to give for this grand work being done by the Red Cross war fund. We can hardly hold them back until the set time, so look out for us. Have your mind made up and your dollars ready Monday when the solicitors call on you. Those appointed as solicitors in the various school districts are.

Hagey district—Joseph Kern and Larry L. Yates.

Eudora—Jas. Hagey, Joseph Short.

Buzzard's Roost—Mrs. Roy Sharp, Mrs. D. G. Brooks.

Young—Miss Ethel Folden.

Shell Grove—A. C. Ford and John Adams.

Royster—Earl Duncan, E. W. Grimsley.

Carden—H. D. McDonald and Floyd Brown.

Gill—Roy Slauson.

Albright—Wm. Taylor, Fred Peoples.

Tarpley—Earl McDonald, John W. Smith.

Pleasant Hill—Wm. Barry, A. K. Willboyte.

Pifer—Miss Mary Springer and Miss Melba Frankum.

Quitman—E. W. Johnson and Geo. Hickerson.

H. C. BAILEY,
Township Chairman.

The Nodaway township committee for the Red Cross campaign, composed of Dr. G. C. Trusty and Charles Ferguson, has appointed a committee to make the canvass in each school district of the township, with a meeting to be held Saturday night to perfect plans.

The school districts, with committees appointed for them, are:

Guthrie—Bert Mitchell, R. P. Ferguson.

Lone Tree and Wilcox—B. K. Ferguson, Chas. Hainline.

Carter—Elihu Carter, Chas. Nicholas.

Star—Geo. Brown, L. D. Carter, H. Logan.

Pleasant Valley—E. E. Corken, Jas. O. Stafford.

Little Brick—E. E. Caldwell, Frank Walker.

Hardesty—S. S. Webb, John Boyer.

Evans—L. U. Houston, Clyde Bass.

Toad Hollow—John Cooper, George Sexson.

Lone Valley and Mt. Vernon—Ed Sherlock.

The Hopkins township committee composed of C. E. Donlin, E. C. Wolfers, Jas. Pistole and W. L. Robb, have selected the following district workers:

District 4—Ira Gray, J. W. Demotte and Walter C. Morehouse.

District 6—Coy Shearer and J. W. Lee.

District 19—G. B. Ulmer and E. T. Miller.

District 20—M. D. Young and Wm. Wells.

District 21—Wm. Alexander and Wm. Russell.

District 22—R. J. Houston and Roy Kind.

District 23—C. A. Thompson and H. W. Killam.

District 31—Ula Morehouse and Joe Myers.

Hopking Independent district—Jake Dragoo and Glen Gordon.

Hopkins—Oscar Mutti, Jas. Pistole, E. C. Wolfers, Sr., Ed Brown and A. F. Beinert.

H. W. Montgomery, county chairman, has 50 Red Cross honor rolls, 50 honor flags and Red Cross stickers to stimulate the securing of individual subscriptions in schools, lodges, stores, factories. The honor roll is to be furnished where there are ten or more persons who have contributed to the second war fund. They will receive the honor flag which can be hung in the window or any prominent place where 75 per cent of the employes or members have subscribed. Additional red crosses will be added for every increase of five per cent.

Telegraphic reports will be made at the close of each day of the campaign and township chairmen are urged to make etheir reports regularly as to the number of subscribers and the total amount subscribed each day in their townships.

Says J. L. Johnson, chairman for the second war fund campaign:

"Time as well as food must be conserved if our ambition for a quick victory is realized. Conserve the time of the men who appeal to you for a subscription to the second Red Cross war fund. Be ready to say "I will" when the solicitors call upon you. He is as busy as you and is giving his time to the Red Cross, and his money, too, but asks you only for the money. There is neither reason nor time in debating over the wisdom of giving to the Red Cross. If there is any argument it should be not "What Shall I Give?" but "What Is the Most I Can Give?" Have this argument with YOURSELF before the solicitor calls."

TO KANSAS CITY CONFERENCE

Food Class Instructors Will Attend National Meeting of Home Economics Workers This Week

Miss Bertha Beal, county chairman of the government training school for housewives, left yesterday for Kansas City to attend the national conference of home economics workers in session there the remainder of the week.

Miss Ora McMillen, head of the home economics department of the state normal, Miss Anna Balnum, head of similar work in the high school, and Miss Laura Curfman will go to Kansas City tomorrow morning to attend the Saturday session. Saturday noon a luncheon for all the workers will be given at the Coates House and several of the most prominent ones will give talks at this hour.

Among those attending and addressing the conference are Julia Lathrop, Jane Adams, Louise Stanley and other notable women who are committee members of the National Council of Defense.

A window display that shows the baking products of some of the cereal substitutes has been placed in the Schumacher grocery store this week.

The demonstrations have been devoted to the use of potatoes. Miss Katherine Carpenter, Miss Greta Kemp and Miss Laura Curfman have been in charge of the work. Every effort is being made to induce the women to comply with the request of the government that all potatoes possible be used the next few weeks and some excellent recipes have been given out for the use of the potatoes as a vegetable and also the flour.

Mrs. E. O. Boone, who has charge of the work among the colored women, left Wednesday for Columbia to attend a week of instruction given at the home economics department of the state university and she will be in charge of a special training course for her people here.

ANOTHER WAR HERO COMING

Sergeant Edwards of the "Princess Pats", Famous Canadian Regiment, Will Speak Here Monday, June 3

Sergeant Edwards, one of the original "Princess Pats," the most famous body of fighting men of modern times, otherwise known as Princess Patricia's Regiment of Canadian Light Infantry, is announced to speak here on Monday night, June 3. Under the auspices of the Commercial Club, the address by Sergeant Edwards will be for the Maryville auxiliaries of the Nodaway Red Cross chapter. The place of the lecture will be announced later.

Sergeant Edwards saw continuous service with this crack regiment from the call to arms in August, 1914, until the annihilation of it in May, 1915, at which time he was wounded and captured and taken as a prisoner of war to Germany, escaping later in a daring dash for liberty.

Mrs. J. Falkner, who has been visiting relatives in Rosendale, returned yesterday to her home in Maryville.

CLASS EXERCISES

HIGH SCHOOL GRADUATES IN AN INTERESTING PROGRAM

FINAL EVENT TONIGHT

When Thirty-one Young Men and Women Will Receive Diplomas—To Announce Class Honors

The members of the 1918 graduating class must have caught the spirit of "Professor Peterkin Pepp," the leading character in the class play of the same name, so snappy and original were the class day exercises given at the high school auditorium last night. An audience of friends and relatives of members of the class filled the big auditorium so full that there was not even standing room left and every event on the program was thoroughly enjoyed. Naturally chief interest centered in the play, "Professor Pepp," with a cast of fifteen young people. As the name indicated, there was "pep" a-plenty, each character being happily cast, the players showing a versatility in interpreting comedy that was surprising. The audience voted it the best play given by a graduating class. The cast for the play was as follows:

Professor Peterkin Pepp — Virgil Rathbun.

Mr. C. B. Buttonbuster—John Wallace.

Howard Green—Loren Egley.

Sim Batty—Francis Halascy.

Pedlar Benson—Paul Pickens.

Noisy Thimming—James Covey.

Pink Hatcher—J. Puckett.

Betty Gardner—Mary Carpenter.

Aunt Minerva Boulder—Lela Maier.

Petunia Muggins—Etha Henderson.

Olga Stopski—Lucile Wiley.

Kitty Clover—Lucile Wright.

Vivian Drew—Mary Condon.

Irene Van Hile—Loreva Kirch.

Caroline Kay—Blanche Landfather.

Time: Three days in September.

Place: Small College Town.

Music was a feature of last night's exercises, with "Rose of My Heart," by the senior quartette composed of Virginia Robinson, Annice Neal, Leska Wray and Helen Dean. A piano solo, "Rustle of Spring," by Ruth Jones, and a violin solo, "Indian Lament," by Ruth Hankins, were well given and the class song, "Commencement Day," by the entire class made a great hit.

The class gift to the school was a bust of President Woodrow Wilson and was presented by Virgil Rathbun in an appropriate speech. A tribute to "Our Flag" was by Mary Angell.

The salutatory was given by Gladys Morehouse and the class prophesy by Abbie Colden; a reading, "The Boy," was well given by Jennie O'Neal.

Members of the faculty are today making out the grades of the class members and tonight will announce class honors at the graduation exercises and presentation of diplomas will make the close of the public schools for the summer vacation.

The valedictory tonight will be by Hester DeNeen. Dr. W. F. Burris delivering the class address. Diplomas will be awarded by L. C. Cook, member of the school board, and announcement of class honors will be made by Supt. J. M. McDonald. The high school orchestra will furnish music.

GIVE ONION SETS AWAY FREE

If You Want to Help Increase the Food Production Here Is Your Opportunity—Read

It is not very often you get something for nothing, so if you like onions and want to help increase the food production be at the Empire theatre building tomorrow afternoon at three o'clock and get a free package of onion sets.

The Commercial Club announces that it has been able to get a limited quantity of onion sets, first class in every way, and is going to give them away without cost to the "first come, first served." There are no strings to the gift—except that the recipients are asked to plant them—and but one package will be given to a person. Some of the packages contain two and some one quart of sets. They are from a well known seed house and are given with the guarantee that they are of good quality and right for planting.

Be on hand at the place and hour named if you want onion sets.

Mrs. M. E. Ummethum of Kansas City arrived in Maryville Wednesday night to visit her daughter, Mrs. Ed G. Orear.

THE CLEAN-UP IS GOING ON

Teamsters Are Busy Today Hauling Trash — Committee In "Cleanest Ward" Contest Is Named

Residents in all the wards are cooperating today in the clean-up campaign and teamsters are hauling the trash to dump piles. With greater care being taken of premises, alleys and vacant lots there is not the large amount of trash that has been collected in former years, the number of loads hauled at noon today being considerably smaller than previously. However, the Boy Scouts will make a final check of the work tomorrow and will list and report all premises, alleys, vacant lots and other places where trash and refuse remains.

In the "Cleanest Ward Contest" for the loving cup awarded by the Commercial Club the following committee has been named to visit the various wards and make the decision: Miss Jessie Parcher, Mrs. Chas. T. Bell, Rev. C. Emerson Miller, Geo. B. Baker and Dr. Jesse Miller. It is expected they will make the rounds of the city early next week. The Fourth ward now holds the cup and residents believe that on the showing that will be made it will be returned to them again this year.

CALL 89 TO COLORS

DRAFT BOARD MUST FURNISH QUOTA FOR MAY 25

WILL GO TO FT. DODGE, IA.

Announcement of Names Will Be Made Soon—Number of Men Now In Class 1-A Now Approximately 275

The announcement that two draft calls had been skipped here appears to have been somewhat premature, for after delaying the call word was received by the draft board today that Nodaway must furnish eighty-nine men from the selective service to entrain for camp during the five-day period beginning May 25. The additional information was conveyed that the men will be sent to Camp Dodge, Iowa. The draft board will at once select the required number of men from available registrants in Class 1 to fill the call.

The number of men in Class 1-A now numbers approximately 275. Men exempted for agricultural and occupational pursuits are not included in this number.

ANARCHY PREVAILS IN ODESSA.

Special to The Democrat-Forum.

Amsterdam, May 17.—Anarchy prevails in Odessa and bitter hand-to-hand fighting on the streets is taking place there, according to reports here today, and martial law has been proclaimed by the Austrians, it is said, and thousands are fleeing from Kieff. Despite the Austrian opposition, a state of seige has been declared at Odessa, according to information from Swiss sources.

NO OBJECTION TO SENATE PROBE

Special to The Democrat-Forum.

New York, May 17.—President Wilson today advised private secretary, Tumulty to announce that he was not opposed to an aircraft probe by the senate military affairs committee. The president, Secretary Tumulty said does object to the "covert purpose" of the Chamberlain resolution.

A NEW BAND STARTS

ORGANIZATION WILL BE DIRECTED BY P. O. LANDON

MEET WEDNESDAY NIGHT

Summer Night Concerts Are Again a Possibility — Membership Open For All Good Players

Maryville is not going to be without a band—consequently you can begin to anticipate again the enjoyable weekly open-air concerts this summer.

In order that Maryville may have a creditable band former members of the old organization have persuaded Prof. P. O. Landon of the Landon Music Co., to take the baton and assume leadership and direction of a new organization. The first meeting was held Wednesday night in recital hall at the Conservatory of Music with some twelve or fifteen musicians present. Meetings for rehearsal will be held on Wednesday night of each week.

Membership in the band is open to any one person who is reasonably proficient on any wind instruments and players in the former band are especially asked to become members. Those who desire to join the organization are asked to give their names to either Director P. O. Landon, Ed Schumacher or H. L. Raines, who will give any information desired.

Members of the band believe it is their patriotic duty to keep alive a first class band and have pledged their efforts to getting a large membership and attending rehearsals regularly.

BOTH CLAIM CITY LAND LEASE

Ditto Bros. Ask Injunction Against Carl Riffle, Restraining Him From Cultivating Corn Tract

An injunction suit was filed in circuit court today by Ditto Bros., R. A. and S. A., against Carl Riffle, asking that he be restrained from plowing up corn in a tract of land under lease by them from the city. Riffle was served with the papers this morning by Sheriff Dowden, after he had plowed a large amount of ney corn, and was instructed to vacate the premises.

The land claimed by Ditto Bros., has been planted in corn and a fine stand was up when Riffle went into the field this morning and began listing, throwing out the stand already up. He claims, it is said, to have rented the land from J. A. Ford, member of the board of public works. The land is owned by the city and adjoins the pump station. Ditto Bros. claim to have a lease on the city land from the city.

POTATO GROWER IN FRONT LINE

He Can Defeat the Submarine, Lloyd George Declares

Columbia, May 17. — The potato grower is in the front line of the fight against the submarine, Lloyd George, prime minister of Great Britain, declared recently.

"There is no crop under existing war conditions which can compare with potatoes in importance as a food for either man or beast, and it would be quite impossible to plant too many potatoes this spring," he said.

"If we can get a million acres under potatoes in Great Britain this year the food situation will be safe and farmers will have rendered an unse service to their country.

"The potato grower is in the front line of the fight against the submarine. He can defeat it if he chooses, but victory depends on his action and exertions during the next few weeks."

Married by Judge Robertson.

Dee Pack of Bedford, Iowa, and Miss Mauree Burgen of Bethany were issued a marriage license this afternoon and were married by Probate Judge Jesse Robertson in his chambers.

Miss Carson to Clearmont.

Miss Mary Carson has been elected principal of the Clearmont schools for the coming year. Miss Carson taught the last year at Pattonsburg, and the two years previous in Elmo.

FOOD WILL WIN THE WAR

NEW DRAFT BILL TO WILSON

Measure Provides for Registration of Men Who Have Become of Age Since Last June

Washington, May 17.—The house has adopted without a record vote the conference report on the bill requiring registration in the draft of youths who have become 21 years of age since June 5 last.

The senate previously had agreed to report and after its passage by the house it was sent to the president.

As finally agreed to, the bill provides youths registered under it shall be placed at the bottom of the list of those classes to which they will be assigned and students now in medical and theological schools shall be exempt from the draft.

BURNED TO DEATH

LITTLE EDITH MARIE HAGAN WAS PLAYING WITH MATCHES

HER CLOTHING IGNITED

Daughter of Hugh Hagan Living Near Guilford—Funeral From Guilford M. E. Church Tomorrow

Striking matches in play with her three young brothers caused the clothing of little three-year-old Edith Marie Hagan, daughter of Hugh Hagan, living two miles north of Guilford, to catch fire yesterday evening, and before the flames could be extinguished she was terribly burned and died an hour later. The little girl was out in the yard playing while her aunt, Miss Anna Nielson, was getting supper, the father and an older brother being at work in a field some distance from the house. The children found a box of matches and were striking them and building miniature fires when the clothing of little Edith ignited. She ran screaming towards the house, but before Miss Nielson could reach her she fell unconscious.

Dr. A. T. Barnett was called from Guilford and went immediately to the Hagan home, but the child was beyond aid and died shortly after, having been burned almost beyond recognition. Mrs. Hagan, the little girl's mother, died on the 22nd of last September, and since that time a sister, Miss Neilson, has been caring for the children, of whom there are four brothers, three under the ages of eight.

The funeral will be held Saturday afternoon from the Guilford M. E. church, and Rev. O. E. Lockart will preach the funeral service.

THE ROAD TO RAVENWOOD

The Highway Has Been Officially Designated as a State Road

In a letter from A. C. McKibben of the state highway board to Secretary E. M. Claypool of the Commercial Club Mr. McKibben advises that the road between Maryville and Ravenwood has been officially designated as a state road. Mr. McKibben also says that he expects to be in Maryville soon and hopes to get plans under way for building two roads in Nodaway county this year.

U. S. TROOPS JOIN BRITISH

AMERICAN FORCES ARRIVE IN NORTHERN FRANCE ON THE BATTLE FRONT

GET READY FOR GERMAN ATTACK ON WEST FRONT

It Is Learned the Kaiser Is On the Lines Supervising Preparations—Washington Believes the Drive Is About to Start

Special to The Democrat-Forum.

With the American Army in France, May 17.—American troops have arrived in northern France in the sector of the battle front controlled by the British.

It is not advisable to state the number and location. This is the first time any considerable number of our troops have been mingled with the British and French.

Washington, May 17.—The moment of events of major importance on the western front draws very near, according to the interpretation placed here upon the disclosures that American troops had taken their place in a British sector in northern France. The news created the utmost interest among army men and uniformally they were of the opinion that it shows that preparations for the German attack are about completed.

London, May 17. — Great artillery activity developed today on both sides in the sector at Pecaut wood and in the district north that hinges on the Flanders front, the British war office reported today. The German guns increased the intensity of their bombardments between Locon and Hinbes in the region between Meteren and Nieppe forest. A German raiding party was repulsed.

Paris, May 17.—Germans tried to raid the French trenches in the sector at Canby sur Matz on the southern flank of the German salient on the Picardy front, but were repulsed, the war office announced. Heavy artillery duelling is in progress in the Hailles sector about nine miles southeast of Amiens. In minor operations the French captured about forty prisoners.

Rome, May 17. — Italian airplanes bombarded Austrian military works at Durazzo and Lissy, Thursday, causing fires, was announced here today. British airmen bombarded Durazzo Monday.

London, May 17.—The kaiser is reported on the western front supervising preparations for the next big German attack, according to advices received here today by express.

106 TODAY'S CASUALTY LIST

Fifteen Americans Were Killed In Action and Eight Were Reported Missing In Action

London, May 17.—One hundred and six names were contained in the casualty list announced by the war department today. Fifteen were killed in action, six died of wounds, four died of disease, one of gas poisoning, twelve were wounded severely, six were slightly wounded and eight were reported missing in action.

WE'LL WIN

What does it mean to you to know that your American Red Cross:

Is supporting 50,000 French children.
Sends supplies to 3,423 French military hospitals.
Provides 2,000 French hospitals with surgical dressings.
Is operating thirty canteens at the front line.
Is operating six other canteens at French railway junctions, serving 30,000 French soldiers a day.
Operates a movable hospital in four units, accommodating 1,000 men.
Is operating a children's refuge in one part of the war zone; and in another a medical center, and traveling dispensary, both capable of accommodating more than 2,000 children.
Has opened a long chain of warehouses stocked with hospital supplies, food, soldiers' comforts, tobacco, blankets, etc., all the way from the seaboard to the Swiss frontier.
Has warehouse capacity for 100,000 tons.
Has 400 motor cars and operates 7 garages, making all repairs.
Had shipped 46 freight car loads of assorted supplies to Italy from France within two weeks after it began operating in the former country.
Had a battery of motor ambulances at the Piave front four days after the United States declared war on Austria.
Started a thousand different activities in Italy at the time that nation was in its most critical condition.
Has established 5 hospitals in England and operates a workshop for hospital supplies employing 2,000 women.
And that 120,000 cases of supplies have been received at the Paris headquarters of the American Red Cross from your various chapters scattered throughout the United States.

What does all this mean to you? And that is but a fraction of the work your Red Cross has done and is doing. It means that without this ceaseless, heroic work of the American Red Cross we could never win this war.

Without your Red Cross quick, vital help to keep Italy in the fight for Liberty would not have been possible.

Without your Red Cross thousands of French soldiers now gallantly fighting for you at the front would have died of wounds, exposure and lack of food.

And great and wonderful as has been the work of the American Red Cross in the past, still greater and more wonderful must it be in the future—for now *your* boy is in the fight.

Your Red Cross cannot neglect France, England, Italy, Serbia, Roumania and little Belgium. It must give them all constantly increasing help, for the men of these countries have been fighting our battles.

But now we must all redouble our efforts and sacrifices for our Red Cross because a million mothers' sons are going to carry the stars and stripes to the greatest victory God has ever given to men fighting for honor and liberty.

With the help of your Red Cross your boy will win.

MISSOURI SAVES CHEERFULLY

Wheat Consumption Has Been Reduced From 50 to 75 Per Cent—Cooperate With Food Administration

"I do not believe there is another nation in the world in which the proportion of individuals of so willing a sense of voluntary self-sacrifice is so high as this people of ours," said Herbert Hoover, federal food administrator, in an address in New York recently. "Nothing has demonstrated this more finely," he said, "than the conservation of wheat. Today there is no suffering in the United States and we are actually shipping 50 per cent of our monthly mill output to the Allies."

On account of the greatly increased need of the Allies mills have been notified to furnish 50 per cent of their May output for export through the food administration grain corporation.

That the people of Missouri are doing their part in wheat conservation cheerfully and without complaint is shown in the reports of county food administrators. Most of them estimate that flour consumption in their counties has been reduced from 50 to 75 per cent. R. H. Bryan, administrator of Osage county, reports that many persons in his county have pledged themselves to use no more wheat products until the next harvest.

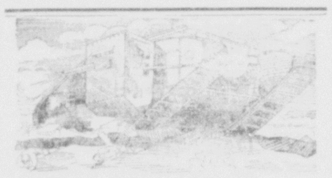
From Hermitage in Hickory county, S. D. Pope sends a report that a fine grade of corn was raised in that section last year and that a great many persons, among them the wealthiest, are eating corn bread three times a day. Cane also was good in that section, Mr. Pope says, and the people are using molasses instead of sugar.

Dealers in Lawrence county say they are selling three pounds of corn meal with every pound of wheat flour and that consumers are showing a splendid spirit of cooperation. The Rev. J. N. Villines writes from Southwest City, in McDonald county, that sales and consumption of wheat flour in his community have decreased 100 per cent and that 75 per cent less sugar is now being consumed.

Frank J. Dean, food administrator for Jackson county, estimates that flour consumption in Kansas City and other parts of the county has fallen off more than 40 per cent. Mills in St. Joseph have reported to Harry L. George, food administrator, that sales of flour have fallen off from 50 to 75 per cent.

"These reports show clearly that the people of Missouri are responding loyally to the requests of the food administration," said F. B. Mumford, federal food administrator for Missouri. "We are more than gratified with the results of food conservation in this state."

O. M. Gray, living one mile west of Maryville, is building a new barn 36 x 56, which will be modern in every way. The work is under the direction of F. B. Gohn of Burlington Junction.



To drive a tank, handle the guns, and sweep over the enemy trenches, takes strong nerves, good rich blood, a good stomach, liver and kidneys. When the time comes, the man with red blood in his veins "is up and at it." He has iron nerves for hardships—an interest in his work grips him. That's the way you feel when you have taken a blood and nerve tonic, made up of Blood root, Golden Seal root, Stone root, Cherry bark, and rolled into a sugar-coated tablet and sold in sixty cent vials by almost all druggists for past fifty years as Dr. Pierce's Golden Medical Discovery. This tonic, in liquid or tablet form, is just what you need this spring to give you vim, vigor and vitality. At the fag end of a hard winter, no wonder you feel "run-down," blue, out of sorts. Try this "Medical Discovery" of Dr. Pierce's. Don't wait! To-day is the day to begin! A little "pep," and you laugh and live.

The best means to oil the machinery of the body, put tone into the liver, kidneys and circulatory system, is to first practice a good house-cleaning. I know of nothing better as a laxative than a vegetable pill made up of May-apple, leaves of aloe and jalap. This is commonly sold by all druggists as Dr. Pierce's Pleasant Pellets, and should be taken at least once a week to clear the twenty-five feet of intestines. You will thus clean the system—expel the poisons and keep *well*. *Now* is the time to clean house. Give yourself a spring house cleaning.

TO RESTRICT USE OF SUGAR

Manufacturers Are Put On Strict Rations to Assure Adequate Supplies for Home Canners

Columbia, May 17.—Manufacturers using sugar, except to make essential food products, will be put on strict rations, the food administration has announced, in order to assure sufficient supplies for home canners and the commercial manufacturers of preserves, jams and other foodstuffs regarded as essential.

Under the restrictions, which became effective May 15, manufacturers of lesser essentials, particularly confectionery and soft drinks, will be allowed to use only 80 per cent of last year's requirements. Distribution will be under a certificate system which the food administration believes will insure elimination of fictitious demands.

Manufacturers of non-edible products will be forced to go entirely without sugar.

Included in the class with confectionery and soft drinks are condiments, chocolate, candies, beverage syrups, fruit syrups, flavoring extracts, chewing gum, cocoa, sweet pickles, wines, cereals and invert sugar. Manufacturers of these products who entered the business or increased their capacity after last April 1, however, will be cut off entirely. Those who entered business or expanded before last November 1 will receive only 80 per cent allowances, and those who started or expanded after that date, but before last April 1 will be cut down to 50 per cent of requirements. This decision was reached because the food administration had given ample warning of its sugar conservation program.

Control of distribution will be in the hands of state food administrators. They will issue certificates to all manufacturers requiring sugar upon delivery of sworn statements showing the amounts to which each is entitled. The certificates will cover the period from May 15 to July 1, when the new conservation measure may be deemed advisable.

Ice cream has been put in the preferred class to assure consumption of surplus milk supplies and thus encourage dairy interests to maintain production.

Mrs. E. T. Duval of Skidmore is a guest today at the home of her cousin, Mrs. B. E. Condon.

All Traces of Scrofula Cleansed from the Blood

Impurities Promptly Wiped Out.

If there is any trace of Scrofula, or other impurities in your blood, you cannot enjoy the full physical development that a healthy body is capable of until your blood has been thoroughly cleansed and purified of all traces of impure matter.

S. S. S., the wonderful old purely vegetable blood remedy, has no equal for removing the last trace of Scrofula and other blood taints, and there is no case that it does not promptly reach. S. S. S. will thoroughly cleanse and remove every disease germ that infests the blood and give you new life and vigor. It is sold by all druggists and you should get a bottle and begin its use to-day. SAVE BY "CASH AND CARRY"

Delivery of Foodstuffs Involves Service That Is Expensive

When the consumer buys his foodstuffs for cash and carries them home himself he saves from 2 to 10 per cent of the cost of most staple commodities except tea, where there is a difference of 15 per cent. This general conclusion is reached from a nation-wide study of the difference between "cash and carry" and "credit and delivery" prices made by the U. S. food administration.

The delivery of food supplies, which is a general custom among retailers, involves a service that is necessarily expensive. On certain commodities, however, the difference is very small. The smallest differences indicated are for sugar, 0.1 cent a pound; corn meal, 0.2 cents a pound, and milk 0.3 cents a quart.

SOME LIBERTY LOAN PURCHASES.

It is estimated that the Americans of foreign birth or extraction purchased $350,000,000 of the third Liberty Loan; the number of such bond buyers is estimated at over 5,000,000.

A consular telegram from Shanghai, China, states that subscription to the third Liberty Loan in Shanghai amounted to over $600,000.

The American Embassy in Mexico City states that the subscriptions in that city are more than $384,000, more than double the quota set for the Americans living there.

The Shah of Persia purchased a $100,000 Liberty Bond.

SEES THE BATTLE FRONT

Harry Bailey of Quitman Writes of Trip to Firing Lines

Harry Bailey, son of Mr. and Mrs. H. C. Bailey, auto driver with the A. E. F. in France, writes of a 250-mile drive to the Swiss frontier. Following are extracts from his letter:

"We drove to within five miles of the Swiss frontier and traveled through part of the Alps, and in all it was the finest trip I have ever driven. The mountains were snow-capped and it was real chilly. We had dinner at one of the best resorts in France, and it was sure a beautiful place. There were about ten fine hotels in the town, which is located right down in the valley, and the mountains rose up on both sides. I sure wished you all could have been with me. Something interesting to see on the whole trip. I sure am seeing my part of France.

"A few Sundays ago I drove some officers up to the front—had good luck and got there and back in fine shape. We were up in the observation post where they direct our artillery fire. We were there in the pit for about an hour. The Germans were trying to hit our artillery behind us and I think there must have been fifty shells passed over us. Our artillery was also busy dropping shells. I had a good look through the glasses at the German trenches and some places they are holding. It was a very interesting trip and will never forget the sound of the first shell I heard going through the air. I was surely glad to have the trip.

"Tell John he must play some base ball, as I want him to play in my place as I am afraid I will be too stiff to be a good player when I get out of here. I am well, and pleased."

Going without wheat is perhaps more expense, certainly more work. Not a hardship, but a burden. Who shall bear the burden? Shall we ask the women of France to do it? Those wonderful women are doing their own work, doing the nation's work, even doing the work of teams in the field. Would you ask them to carry the extra burden of doing without wheat?

O. M. Gray went to St. Joseph on business Wednesday.

THIS WOMAN ESCAPED AN OPERATION

By Taking Lydia E. Pinkham's Vegetable Compound. Many Others Have Done the Same.

Troy, N. Y.—"I suffered for more than seven months from a displacement and three doctors told me I would have to have an operation. I had dragging down pains, backache and headaches and could not do my housework. My sister who had been helped by Lydia E. Pinkham's Vegetable Compound asked me to try it. I have taken several bottles and am now entirely well—so I do all my work—and not a trace of my old trouble. I have told many of my friends what wonderful results they will get from its use."—Mrs. S. J. SEMLER, 1650 5th Ave., Troy, N. Y.

Women who are in Mrs. Semler's condition should not give up hope or submit to such an ordeal until they have given Lydia E. Pinkham's Vegetable Compound a trial.

For suggestions in regard to your condition write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience is at your service.

FRED SYBERKROP ARRESTED

On Charge of Failing to Answer His Questionnaire

The following is taken from Wednesday's Creston Advertiser-Gazette:

Fred Syberkrop, son of Louis Syberkrop, was arrested by the Corning authorities and was yesterday arraigned before Commissioner John Hunt on a charge of failing to answer his questionnaire. Fred claimed he had written last fall and winter to Chicago, where he had registered last June, and failed to obtain any information about his papers. He offered letters he claimed to have written in evidence. Commissioner Hunt continued his hearing until he could obtain information on his case and he was released on $1,000 bonds, signed by his father.

May Replenish Sugar Supply.

Home canners, in buying sugar for canning or preserving purposes only, are limited to one 25-pound purchase at a time. Successive purchases in 25-pound quantities may be made for preserving when the preceding supply has been exhausted.

It is rumored that Ed Goforth, formerly of Hopkins, now agent for the Burlington at Maryville, may be Republican candidate for recorder at the approaching election. If there is a more popular or more competent man in Nodaway county for the job we wouldn't know where to find him. If Ed is nominated, it means he will be elected, and his majority over his opponent wouldn't be small, either. Put Hopkins township down for Ed Goforth stronger than double distilled horseradish and then some.—Hopkins Journal.

Mrs. C. C. Steiger of Ravenwood, who underwent an operation at the St. Francis hospital, was able to be removed to her home today.

An aristocratic floor finish

Real waxed floors are perhaps less popular now than formerly because many housewives found it difficult to keep them in good condition. To all who have despaired of finding a satisfactory floor wax we can now recommend

DEVOE *The Guaranteed* HARD WAX POLISH

It gives a satiny finish to the floor and will not collect dirt. It goes further than similar preparations containing paraffine wax, which also make the floor slippery and greasy.

We recommend it to all our customers. Try a one-pound can. We guarantee it to be better than anything you've ever tried before.
